

Tenants are required to maintain the apartment carefully. Any costs caused by carelessness, improper handling or negligence will be charged from the tenant according to the tenant charge sheet. The tenant is expected to read the instructions provided by Hoas. Carelessness or being unaware of the rules is not an acceptable excuse to avoid paying the charges. Read more about tenant responsibilities on the Hoas website. The prices on the tenant charge sheet are often lower than the actual cost of repair, and Hoas reserves the right to charge the tenant according to actual repair cost. Urgent work will be charged based on invoiced amount, which will make the cost significantly higher. The prices include labour, materials/parts required as well as installation costs. Hoas reserves the right to change these prices.
